

A WORD FROM THE FOUNDATION DIRECTORS

Dear Student,

We pride ourselves in providing superior and individualized services to each student by equipping them with the valuable tools needed to shape their future. We utilize seasoned professionals from local universities and educational agencies who have extensive experience in the areas of college admissions, college entrance exams and educational transitional services. These consultants provide personalized guidance to each student on their quest to securing admission to college.

ABOUT KING YOUTH FOUNDATION

The College Bound Institute is sponsored by the King Foundation. The mission of the King Foundation is to provide individuals with opportunity and access to secure a post-secondary education.

The King Youth Foundation provides the following services, which are not limited to:

- College readiness workshops for students and parents
- College tours
- Scholarships

The King Youth Foundation employs a variety of educational consultants to provide the services of the foundation. All of the consultants possess the requisite knowledge and expertise in their respective field of practice.

The King Youth Foundation's partners are local educational agencies, colleges, and universities. The foundation serves individuals at the pre-collegiate level and also serves individuals who are non-traditional aged students with the aspiration of obtaining a college degree.

The King Youth Foundation is based out of Miami, Florida but provides services throughout the country.

WHAT IS THE COLLEGE BOUND INSTITUTE?

The College Bound Institute is an intense residential program designed to prepare high school students for entry into the college/university of their choice. At the end of the program, students will be able to thoroughly complete college applications, successfully write entrance exams, conduct scholarship searches, effectively apply for scholarships, increase their SAT/ACT scores and have a completed Free Application for Student Aid online form.

WHAT DOES THE PROGRAM OFFER?

All participants in the CBI program will live together in university campus housing with staff and upper class university students who serve as counselors, guides, and mentors. By the conclusion of the program, students will have participated and received the following services:

- Identify and apply to Colleges/Universities of choice
- Submit a top-notch college application essay
- Apply for the Free Application For Student Aid (FAFSA)
- Identify and apply for 3 scholarships
- Attend college-readiness seminars
- SAT/ACT tutorials
- Register for an ACT or SAT exam
- Attend at least 2 University/College Tours
- Create a year-long college application process plan for upcoming academic year

Post-program services also include:

- Resources throughout upcoming academic year
- 7 day-a-week support services to answer questions
- Resources for parents to facilitate their role in the college application process

WHAT ARE THE REQUIREMENTS TO PARTICIPATE?

To be considered for participation in the College Bound Institute, an applicant must:

- Be a high school student
- Have a minimum un-weighted high school grade point average (GPA) of 2.5
- Aspire to attend a college or university

PROGRAM COST

The cost includes housing, meals, instructional materials, and all activities included throughout the program. The cost will vary by the duration of the program and can be found at www.collegeboundinstitute.com

HOW TO APPLY

Each prospective participant should submit an application via www.collegeboundinstitute.com. Applicants are encouraged to apply early to ensure the availability of space.
